

# What do you think about your local health services?

The **Care Quality Commission (CQC)** is the independent regulator of all health and adult social care services in England. We register, monitor and inspect services to make sure they provide safe, effective, compassionate, high-quality care, and we encourage them to improve.

Come and speak to our CQC Inspectors  
**Wednesday 1<sup>st</sup> June 2016**  
**12pm – 3pm**

**The James Cook University Hospital,  
Middlesbrough**  
**(in the Small Atrium, near the South Entrance)**

In June CQC is inspecting the  
**South Tees Hospitals  
NHS Foundation Trust.**

Our Inspectors will have a stall at  
the hospital on 1<sup>st</sup> June 2016.

Have you or your family used their  
hospital services in the last year?

Then drop by and share your  
experiences with us.

Your views can help us to focus our inspection
