to help improve maternity services!

Maternity Voices Partnership

The Maternity Voices Partnership group encourages lay representatives to be involved in decisions around Maternity Services.

Lay Representatives are parents or parents-to-be who can attend our meetings to tell us what it is like to use our services and give opinions on future changes.

**We meet on a
Thursday every
other month**

at The James Cook University Hospital Maternity Reception. Childcare is not provided but please bring your baby/child(ren) along.

If you would be interested in becoming a Lay Representative, or would like more information, please contact:
