

Harrogate and District NHS Foundation Trust to provide Health Visiting Service

The Health Visiting Service for Middlesbrough will be provided by Harrogate and District NHS Foundation Trust from 1 April 2016. As a result of this transfer all health visitor information regarding children aged 0-5 years and their parents will transfer from South Tees NHS Foundation Trust to HDFT. This will allow the Health Visitor who continues to provide your care and your GP and other healthcare professionals, if appropriate, to view your health visitor information.

To access the service

If you have any queries with regards to this or if you do not want your information to transfer please contact the health visitor service on email:
