### Friary

Dementia-Friendly Environment this is a PFI provided service and there would be a cost associated

Row	Column	Answer	Achieved Score	Available Score	Notes
Can signs to the toilets be seen from all areas of the ward		No	0.0000	2.0000	Ward layout makes this difficult to comply as this would require more than one sign,
Are all toilet doors painted in, or if unpainted, made of or coated with, a single distinctive colour so as to distinguish them from other doors in the same area		No	0.0000	2.0000	This is a PFI provided service and there would be a cost associated
Are toilet seats, flush handles and rails in a colour that contrasts with the toilet/bathroom walls and floor		No	0.0000	2.0000	This is a PFI provided service and there would be a cost associated
Is there clear signage in the department, prominently displayed, showing the department name		No	0.0000	2.0000	This is a PFI provided service and there would be a cost associated
Are doors to exits clearly marked, but doors to 'staff-only' areas disguised e.g. by painting the doors and door handles in the same colour as the walls		No	0.0000	2.0000	This is a PFI provided service and there would be a cost associated
